### **Information and Procedures**

1. To receive approval to conduct a Temporary Special Event, you should contact a Land Use Services Department representative as soon as possible to discuss the proposed event. Planning Staff will inform you of the steps you will need to accomplish before you will receive a Temporary Special Event Permit. ***You need to submit a complete application to Land Use Services Department at least 30 days prior to a minor event and 180 days prior to a major event.*** These time frames are for the review only and may not allow any time for advertisement or advanced ticket sales before the day of the event so you may want to submit your application even earlier. If the event requires an environmental review or if the event approval is appealed by an individual or group, additional time will be required to resolve any issues.
2. The applicant will have to go the following agencies to receive their approvals/permits for the event:
  - a. County Sheriffs Department (local station);
  - b. Inland Counties Emergency Medical Agency – Emergency Medical Services;
  - c. County Division of Environmental Health Services (Food Protection Program and Land Use);
  - d. The applicable fire agency;
  - e. County Public Health Department - Preventative Veterinary Services;
  - f. State Department of Alcoholic Beverage Control (if alcohol will be available);
  - g. Traffic Division of the Department of Public Works, if Road Permit is required.
  - h. California Highway Patrol, if event is on or near a state highway. **The hiring of officers at actual cost may be required if the applicable CHP office is not contacted by the applicant in due time**, usually 30 days prior to the event.

These agencies must be contacted and approvals/permits received prior to submitting the formal application to the Land Use Services Department. Special forms are located in the back of this information packet to take to each of these agencies to document their approvals. The applicant should complete the top portion of each form

prior to contacting these agencies. Any or all of these agencies may have their own fees that must be paid at time of submittal of these special forms. Completed forms must accompany the application when it is submitted to the Land Use Services Department. Additional forms not included in this packet may be necessary as required by the applicable agency.

3. The applicant must obtain an insurance certificate in an amount determined by the County. The certificate shall show "The County of San Bernardino, its officers, employees, agents and volunteers" as additional insured. (The policy shall be for at least \$1 million and shall give the name and date of the event.) If the serving of alcohol is proposed, coverage for liquor liability is required.
4. Once complete, Planning Staff will evaluate the application and conditionally approve it or deny it. The applicant must return an original, signed copy of the Conditions of Approval showing that the applicant understands the Conditions of Approval and is prepared to meet all of them prior to the event. The approved application and Conditions of Approval serve as the permit and must be kept on-site during the event. **PLEASE NOTE: The approved application is not in effect until eleven (11) days after approval. No ticket sales or advertising may take place until after this period has passed.** The 11 day delay provides a period for appeals to be filed on the permit.
5. County Departments substantially affected by the event will submit a billing to the event sponsor for the total estimated fees and charges pertaining to the event. Such fees and charges shall be deposited with the CAO at least 60 days prior to the event (Major Events only).
6. The event sponsor may be required to post sufficient indemnity/performance/corporation surety bonds as determined by the Board of Supervisors in consultation with the office of County Counsel.

# FINANCIALLY RESPONSIBLE PARTY AGREEMENT

This Agreement is entered for the benefit of San Bernardino County by and through the San Bernardino County Land Use Services Department (LUSD) by

\_\_\_\_\_ (Financially Responsible Party) in reference to LUSD application processing costs associated with a Project. [If the Financially Responsible Party is a legal entity (e.g. corporation or partnership), the representative must supply notarized authorization that he/she is approved to financially encumber that legal entity.]

1. The Financially Responsible Party will pay the security deposit required at the time of Project submittal in an amount established by the County Code or by LUSD policy; will pay monthly invoices within twenty-five (25) days from invoice date, subject to LUSD stopping work until payment is received; and agrees to be responsible for payment of all permit processing costs associated with the Project application.
2. If it is deemed necessary by LUSD to utilize consultant services, the Financially Responsible Party will pay a deposit to cover consultant costs prior to execution of the contract with the consultant, with charges against the contract with the consultant to be billed on an hourly basis against the deposit.
3. Financially Responsible Party agrees that all funds deposited in the Project Trust Account will be held by the County in an account under the name of Financially Responsible Party, and that the Financially Responsible Party shall be considered the owner of all funds in said account.
4. Financially Responsible Party agrees that the LUSD is not required to issue any clearances or permits without receipt of full payment of fees, unless waived by the Board of Supervisors, by Board Action.
5. Financially Responsible Party agrees that if there is an outstanding amount on any other LUSD application for which the Financially Responsible Party is the applicant, the depositor, of the Financially Responsible Party, subsequent applications will not be accepted until such amounts are paid.
6. Financially Responsible Party agrees that LUSD may refund any funds remaining in the project trust account at the completion of work to the Financially Responsible Party.
7. The Financially Responsible Party agrees that the person or entity designated as the Financially Responsible Party maintains that designation until the project is completed and all legal challenges to the County's approval have been resolved, or the County is notified, and accepts, a Change of Financial Responsibility form (available on the San Bernardino County LUSD website).
8. Indemnification. In compliance with Development Code §81.01.070, the Financially Responsible Party agrees, to defend, indemnify, and hold harmless the County or its "indemnitees" (herein collectively the County's elected officials, appointed officials (including Planning Commissioners), Zoning Administrator, agents, officers, employees, volunteers, advisory agencies or committees, appeal boards or legislative body) from any claim, action, or proceeding against the County or its indemnitees to attack, set aside, void, or annul an approval of the County by an indemnitee concerning a map or permit or any other action

relating to or arising out of County approval, including the acts, errors or omissions of any person and for any costs or expenses incurred by the indemnitees on account of any claim, except where such indemnification is prohibited by law. In the alternative, the developer may agree to relinquish such approval.

The Financially Responsible Party shall reimburse the County and its indemnitees for all expenses resulting from such actions, including any court costs and attorney fees, which the County or its indemnitees may be required by a court to pay as a result of such action.

Although the County may, at its sole discretion, participate at its own expense in the defense of any such action, such participation shall not relieve the Financially Responsible Party of their obligations under this condition to reimburse the County or its indemnitees for all such expenses.

This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. The Financially Responsible Party's indemnification obligation applies to the indemnitees' "passive" negligence but does not apply to the indemnitees' "sole" or "active" negligence or "willful misconduct" within the meaning of Civil Code Section 2782.

The Financially Responsible Party agrees that its indemnification obligations under this agreement remain in effect even though a court may order the County to set aside its approvals of the project.

9. In the event of a transfer of project or property, the Financially Responsible Party shall notify the County within two (2) working days, in writing and by telephone as follows:

Land Use Services Department  
Attn: Administrative Manager
